

A schematic diagram of a DNA molecule with a protein complex. The DNA is represented by a black line with dots. A protein complex is shown as a cluster of red circles. Labels include 60, 65, 70, 55, 50, 5, 1, 18, 20C, 14A, 15, 0, 30, 40, 35, and 5'.
